SUMMARY

This document provides supplementary information to the Year 4 (October 2017 to September 2018) annual report for the USAID/Ghana Sustainable Fisheries Management Project (SFMP).

Annex 3 contains a listing of news coverage of fisheries management issues in Ghana, with many links to the original materials. A total of 110 items were collected in Year 4, many of them directly mentioning SFMP activities. Annex 4 is a list of the 69 publications which were finalized and put online during the project year. Hyperlinks are included for each document. The overall document page with published materials for Years 1 through 4 can be found here: https://www.crc.uri.edu/projects_page/sfmp/?section=publications
