

USAID
FROM THE AMERICAN PEOPLE

Sharing data, reports and other documents on ghanalinks.org

2018 Feed the Future Partners Meeting

Panel 2 - Project Closeout Preparations

By

Elfreda N.L. Arthur
(Knowledge Management Specialist – USAID METSS)

11th May, 2018

USAID
FROM THE AMERICAN PEOPLE

Presentation Outline

- Why is it important for projects to share their data/reports/documents with METSS to post on Ghanalinks.org?
- What types of data/documents should they share?
- How should they share it?
- What will the final product look like?

Why is it important for projects to share their data/reports/documents?

One Stop Repository

Portal exists beyond projects

Share our collective achievements and lessons learned

Share the USAID impact story via 'Did you Know?'

Enhance research - access to data and information

Enhance user experience with depth of data and info

Market the portal to different users

USAID
FROM THE AMERICAN PEOPLE

What types of data/documents should IPs share?

Type	Detail
Data	Spatial and Non-spatial data: Project data, survey data – disaggregated at the district, regional, ZOI, national, gender, etc.
Reports and Other documents	Quarterly and annual reports, survey reports, papers, briefs, manuals, guides, success stories, newsletters, presentations, videos, audio, etc.
Performance Information	Performance Indicator Reference Sheets, Results Framework
